Notes:

- 1. The above fees are payable at the time service is delivered.
- 2. Permits are only granted when all laws, rules and regulations are met.
- 3. Failure to meet requirements as part of permit may result in revocation of permit
- 4. Paid Fire Details are determined at the time the permit is issued.
- 5. The Fire Chief or his designee may place additional requirements on permits at time of application, or at any time permit is active to ensure public safety.
- 6. The enclosed comments and notes are here for assisting the administration of obtaining

fees and regulating permits and actual laws, rules and regulations are subject to change and take president over what has been written in this document.

7. Fees may be waived for work performed on government buildings

The fees reflect legislation passed on July 31, 2003 "An Act providing relief and flexibility to municipal officials", that contains a series of amendments to the General Laws.

One amendment, c. 46 of the Acts of 2003, in section 104, contains changes to GL c. 148, s. 10A. The new law allows the Head of the Fire Department to now charge \$25.00 for permits issued under the provisions of 527 CMR. The municipality (Selectman, Town Council or Mayor) may otherwise set the fee, but it shall be no greater than \$50.00.

This law changes the old fee amount which was \$5.00/\$10.00. The law contained an emergency preamble, accordingly it was effective as of the date it was signed. The specific language of the amendment is as follows:

SECTION 104. The first paragraph of section 10A of chapter 148 of the General Laws, as so appearing, is hereby amended by striking out the last sentence and inserting in place thereof the following sentence:- A fee of \$25.00 unless otherwise set in a town by the board of selectmen or town council, and in a city by the mayor, may be charged by the head of the fire department for any permit granted under authority of this section, and any such permit may be revoked for cause by him or by the marshal, but in no event shall any such fee be greater than \$50.00
